Master of Arts in Educational Administration courses are offered in the Fall semester following the candidate's completion of the Credentialing Program.

Time Limit

All credential coursework must be completed within a seven (7) year time period. This time limit requirement means that no more than seven years may elapse between the start of the program term and the date the application for recommendation of a credential is approved. Candidates are responsible for both completing the program and applying with the CTC for their certificate of eligibility or preliminary credential within this seven-year time period.

Candidates must maintain a minimum GPA of 3.0 in all required courses attempted after entry in the Master of Arts program. Candidates whose

GPA falls below term or cumulative GPA of 3.0 will either be put on probation for one term or be dismissed from the program.

Candidates are expected to demonstrate professional dispositions at all times. Failure to do so will result in the implementation of a Candidate Improvement Plan. If the Candidate Improvement Plan is insufficient in supporting the candidate in demonstrating professional dispositions, the candidate will be dismissed from the program.
