The Bachelor of Science in Business Administration (BSBA) is offered by the Departments of Accounting and Finance, Economics, and Management and Marketing. Contact information and course descriptions can be found in the Catalog sections that follow for these departments. The Major is to be completed with a minimum cumulative grade point average of 2.0 in all courses counted for the major.

The Bachelor of Science Degree with a major in Business Administration requires a minimum of 120 units which includes courses for the major and concentration, plus courses for the other university-wide graduation requirements: General Education, American Institutions, First-Year Experience, Junior-Year Diversity requirement, Upper Division Writing, Capstone, etc.

## **Program Requirements**

This curriculum is designed for the student who wishes to earn a Bachelor of Science degree with a major in Business Administration. It has two major components:

- required lower and upper division courses which provide a foundation for understanding business organizations, their operations, and their place in the global economic, political, and social world;
- 2. a concentration of courses which permit an in-depth study of a selected aspect of business activity.

Courses requiring a specific prerequisite may be taken only after the prerequisite has been completed.

**Note:** Business Administration majors shall not be enrolled in any upper division Business Administration course unless they have:

- 1. Completed all courses in the Lower Division Foundation Core; and
- 2. Attained junior status (completed at least 60 semester hours of course work counting toward the 120 semester hours needed for graduation).
