The Bachelor of Science in Business Administration (BSBA) is offered by the Departments of Accounting and Finance, Economics, and Management and Marketing. Contact information and course descriptions can be found in the Catalog sections that follow for these departments. The Major is to be completed with a minimum cumulative grade point average of 2.0 in all courses counted for the major.

The Bachelor of Science Degree with a major in Business Administration requires a minimum of 120 units which includes courses for the major and concentration, plus courses for the other university-wide graduation requirements: General Education, American Institutions, First-Year Experience, Junior-Year Diversity requirement, Upper Division Writing, Capstone, etc.

Finance

CSUB finance classes help prepare students for a variety of career opportunities in finance, such as financial analyst, financial planner, credit manager, investment banker, portfolio manager, etc. Moreover, it helps students prepare for various professional designations, such as Chartered Life Underwriter (CLU), Chartered Financial Counselor (ChFC), Certified Financial Planner (CFP), Chartered Financial Analyst (CFA), Certified in Financial Management (CFM), Chartered Property and Casualty Underwriter (CPCU), and Accredited Pension Administrator (APA.) See an advisor for more information about this program.

Program Requirements

Note: One (1) semester unit of credit normally represents one hour of in-class work and 2-3 hours of outside study per week.

Note: Business Administration students shall not be enrolled in any upper division Business Administration course unless they have:

1. Completed all courses in the Lower Division Foundation Core; and
2. Attained junior status (completed at least 60 semester hours of course work counting toward the 120 semester hours needed for graduation).
