Program Description

Study in the Department of English leads to an understanding and appreciation of British, American and other literatures in English, and of the English language, its aesthetic and functional properties, its uses, and the methods by which impressions and ideas are articulated and communicated.

The BA in English emphasizes in-depth study of the nature of the English language, the British, American and other literary traditions, creative writing, and critical approaches to literature. The Department of English offers a BA in English with two emphases: The English Major in Language and Literature (EMLL) and the English Major with Credential Emphasis (EMCE). The EMLL program offers both breadth and flexibility in preparation for diverse career opportunities, while the EMCE provides subject matter preparation for prospective English Language Arts teachers.

The department also offers a minor in English Literature, a minor in Linguistics, and a minor in Children's Literature. In addition, the department has two post-baccalaureate certificates, in Writing and in Children's Literature.
