## **Program Requirements**

The Bachelor of Science Degree with a major in Kinesiology requires a minimum of 120 units which includes courses for the major and courses for the other university-wide general education graduation requirements.

## **Discipline Requirements for the Major**

Students interested in majoring in Kinesiology should obtain general information about the program early in their lower division career. After declaring as a major in Kinesiology, the student should meet with an appointed advisor within the department to plan a course of study in a specific concentration. This is essential given that certain courses are offered only once a year and that many courses have prerequisites that require completion of sequenced non-major and major courses in order to fulfill these requirements. The cognate courses are some of these prerequisites and are best taken with the lower division general education courses prior to reaching Upper Division status. Majors must earn a grade of "C-" or better in all KINE courses as well as cognate and elective courses required for the major.

| Code Title  | Units |
|---|-------|
| General Education Requirements  |       |
| First-Year Seminar (FYS)  | 2     |
| Lower Division Area A: Foundational Skills  | 9     |
| Lower Division Area B: Natural Sciences <sup>1</sup>                              | 3     |
| Lower Division Area C: Arts and Humanities  | 6     |
| Lower Division Area D: Social and Behavioral Sciences                             | 3     |
| Lower Division Area E: Student Enrichment and Lifelong Learning (SELF) $^{\rm 2}$ | 0     |
| Lower Division Area F: Ethnic Studies   | 3     |
| American Institutions: Government and History                                     | 6     |
| Junior Year Diversity & Reflection (JYDR)   | 3     |
| Graduation Writing Assessment Requirement (GWAR)                                  | 3     |
| Upper Division Thematic Area B and C  | 6     |

<sup>1</sup> A modification to the GE program has been approved that allows major requirements to satisfy LD Area B.

 <sup>2</sup> SELF requirement is satisfied as part of the major (KINE 1018 Lifetime Fitness)

3 Capstone is satisfied as part of KINE 4868 Internship and Capstone.

<sup>4</sup> KINE 2000 Introduction to Kinesiology is a prerequisite to all other core KINE courses 3000-level and above (it can be taken concurrently). Therefore, it should be taken as soon as possible within the required coursework. <sup>5</sup> Only 1 intercollegiate activity course will count toward the major

<sup>6</sup> Only 1 online activity course will count toward the major
