Requirements for the Minor in Public Health

A minor is not required for the degree but is available to other majors. The minimum requirement for the minor in Public Health is 12 units (a minimum 6 units must be upper division). PH 2000 is required. Other acceptable lower division courses are PH 2020 and BIOL 2600. Upper division courses accepted for the minor include any course with PH designation and KINE 3118. The minor curriculum plan is based upon the student's educational and professional goals. Students should meet with the program coordinator or faculty to develop the minor curriculum plan prior to beginning coursework.

Code	Title	Units
12 units required, 6 of which must be upper division		
Required		
PH 2000	Introduction to Public Health	3
Electives
